PAILS

METAL PAIL

Handy, lightweight and built to last. One seam, leak-proof construction. Tapered for convenient storage. Durability makes these pails popular with contractors. Free-swinging metal handles attached with smooth rivets.

POLYSTEEL RIM PAIL

Ringfree design eliminates the need for the hidden metal ring and allows the pails to be easily recycled. Solvent resistant.

CLEAR MEASURE PAIL

Container bottom is flat for easy mixing. Graduations are provided in both ounce and metric measurements. Container is solvent resistant and is safe for use with all paints, pastes, and adhesives.
